This matter having come before the Court on the Motion for a Revised Bidding Procedures Order Approving (1) Executed Stalking Horse Asset Purchase Agreement; (2) Proposed Break-Up Fee and Expense Reimbursement; (3) Revised Bidding Procedures; (4) the Form and Manner of Service of Notice of the Sale Hearing and Auction; and (5) the Form and Manner of Service of Notice of the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases (the "Revised Sale Procedures Motion") filed on May 3, 2010 by Schwab Industries, Inc. ("SII"), Medina Cartage Co. ("MCC"), Medina Supply Company ("MSC"), Quality Block & Supply, Inc. ("QBS"), O.I.S. Tire, Inc. ("OIS"), Twin Cities Concrete Company ("TCC"), Schwab Ready-Mix, Inc. ("SRM"), Schwab Materials, Inc. ("SMI") and Eastern Cement Corp. ("ECC", and together with SII, MCC, MSC, QBS, OIS, TCC, SRM and SMI, the "Debtors"), seeking entry of an order (a) establishing the bidding and auction procedures (the "Bidding Procedures") that will govern the sale of substantially all of the assets of Debtors (the "Assets"); (b) scheduling the hearing (the "Sale Hearing") to approve the sale of the Assets (the "Sale"); (c) approving the proposed form of service of notice (the "Sale Notice") for the Sale; and (d) approving the form of service of notice related to the assumption and assignment of unexpired leases and executory contracts (the "Cure Claim Notice"). The Revised Sale

Procedures Motion sought to modify the Court's Order of April 16, 2010 approving certain bidding procedures (the "Original Sale Procedures Order"). Unless otherwise defined herein, capitalized terms in this order (the "Revised Sale Procedures Order") shall be given the same meaning accorded to such terms in the Revised Sale Procedures Motion. The Court has considered the entire record in these proceedings to date, including pleadings filed in response to the motion to approve the Original Sale Procedures Order.

### **FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Based on the foregoing, and after due deliberation and good sufficient factual and legal cause appearing therefor, the Court finds and concludes as follows:

1. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and Rule 5005 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"). Venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The statutory predicates for relief sought herein include sections 105(a), 363, 365 and 1146(c) of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"), Bankruptcy Rules 2002, 4001(d), 6004, 6006, 9013 and 9014 and Local Rule 9013.

2. Debtors are diligently marketing the Assets for sale.

3. Debtors have entered into a stalking horse Asset Purchase Agreement (appended to the Revised Sales Procedures Motion, the "APA") with Cement Resources LLC (the "Stalking Horse Bidder").

4. Due and proper notice of the Revised Sale Procedures Motion has been given to all necessary parties.

5. Debtors have shown good and sufficient business reasons for the relief requested in the Revised Sale Procedures Motion and have exercised prudent and reasonable business judgment with respect thereto.

6. Good cause exists for the establishment of the timelines set forth under this Revised Bid Procedures Order and in the Bidding Procedures attached hereto.

7. Debtors have been advised that time is of the essence for the Stalking Horse Bidder. Taking into consideration solicitation efforts made by Debtors thus far, the levels of interest received by Debtors in the Assets, the consent of the agent under Debtors' prepetition secured lending facility (the "Agent") to the sale of the Assets proposed by the APA, and the value to be provided to the Debtors' chapter 11 estates through the transaction contemplated by the APA, Debtors have concluded, and the Court finds, that the modifications to the Original Sale Procedures Order set forth herein are warranted under the circumstances. In light of the above factors, certain bid protections for the Stalking Horse Bidder are likewise warranted, including the modification of the rights of certain parties under the Court's Final Agreed Order Authorizing Limited Use of Cash Collateral that was entered by the Court on April 15, 2010 (the "Cash Collateral Order").

8. Any objections to the Revised Sale Procedures Motion are overruled.

**NOW, THEREFORE, IT IS HEREBY ORDERED THAT**

1. The Bidding Procedures hereby are approved as attached hereto as Exhibit A, and Debtors are authorized to proceed with the auction and sale process in accordance with the Bidding Procedures.

2. The form of APA set forth as Exhibit B hereto is approved, and Debtors are authorized to proceed with the utilization of the APA as the form document to be utilized as part of the Bidding Procedures. All Qualified Bids must be made in a form by modifying the form of

APA and be for substantially all of Debtors' assets (in the APA, this is defined as the "Acquired Assets").

3. Within two business days after the entry of this Revised Sale Procedures Order, Debtors shall serve (except with respect to those parties receiving electronic notice in Debtors' bankruptcy proceeding) the Sale Notice, substantially in the form annexed hereto as Exhibit C on the following entities: (i) all parties that contacted Debtors or their advisors in connection with the marketing and sale process for the Assets; (ii) all entities who receive electronic notice in Debtors' bankruptcy proceedings; and (iii) all parties required to be served pursuant to Bankruptcy Rules 6004(a), 6004(c), 6006(c) and 9014 and the case management procedures in place in these Cases. In addition, Debtors shall also serve all prospective offerors and parties-in-interest upon written request. Service pursuant to Bankruptcy Rules 6004(a), 6004(c), 6006(c) and 9014 on those parties not receiving electronic notice shall be by first-class mail addressed to the business address of such persons appearing in Debtors' records notwithstanding Bankruptcy Rule 9014. Pursuant to Bankruptcy Rule 2002, service of the Sale Notice described herein shall constitute good and sufficient notice of the Bidding Procedures (including the APA), the Auction, this Revised Sale Procedures Order, the Sale Motion, and the Sale Hearing (and any proceedings to be held thereon or related thereto) on all known and unknown creditors and parties-in-interest, including persons entitled to service pursuant to Bankruptcy Rules 2002, 6004(a), 6004(c), 6006(c) and 9014. The Form of Sale Notice is hereby approved.

4. Debtors shall serve via overnight courier upon all parties (the "Counterparties") to executory contracts and unexpired leases (the "Contracts")\* that are or may be assumed and assigned in connection with the Sale a notice (the "Cure Claim Notice"), substantially in the form attached hereto as Exhibit D, concurrently with this Order. The Cure Claim Notice shall

provide notice of (a) the Debtors' intent to assume and assign certain of the Contracts to any Successful Bidder, in the event that the Successful Bidder designates such Contract as an executory contract or unexpired lease to be assumed and assigned; (b) a schedule of the Contracts and the prepetition monetary defaults, if any, associated with each Contract that is required to be cured under section 365 of the Bankruptcy Code (the "Cure Amounts"); and (c) the procedures for filing objections to the assumption and assignment of the Contracts, including any objections to proposed Cure Amounts. As the APA provides for the Successful Bidder to assume certain of Debtors' post-petition (but pre-closing) accounts payable, the Cure Amounts set forth on the exhibit to the Cure Claim Notice shall include prepetition liabilities. In the event that the Stalking Horse Bidder is **not** the Successful Bidder, Debtors shall re-serve a revised Cure Claim Notice which will include amounts to be paid by the Debtors to cure postpetition defaults, according to their business records. Service pursuant to Bankruptcy Rules 6006(c) and 9014 on those parties not receiving electronic notice shall be by overnight mail addressed to the business address of such persons appearing in Debtors' records notwithstanding Bankruptcy Rule 9014. The Form of Cure Claim Notice is hereby approved.

5. Objections, if any, to the Sale Motion or the assumption and assignment of any Contracts (including objections to Cure Amounts, objections with respect to the provision of adequate assurance of future performance or objections to the assignment of a Contract under section 365 of the Bankruptcy Code) shall be in writing, shall conform to the Bankruptcy Rules and the Local Rules and orders of this Court, shall set forth (i) the nature of the objector's claims against or interests in Debtors' estates; (ii) the basis for the objection; (iii) the specific grounds therefor; and (iv) all evidence in support of said objection, and shall be filed and served so as to be received on or before **May 14, 2010 at 5:00 p.m. E.D.T.**, by (a) Debtors and Debtors'

Counsel, (b) the Committee and its Counsel, (c) the United States Trustee, (d) counsel for the Agent, (e) counsel for each of the Debtors' prepetition secured lenders; (f) counsel for Naples Funding Group, L.C., (g) counsel to the Stalking Horse Bidder and (h) all parties requesting service of notice and other motions and pleadings in this chapter 11 proceeding. Any person that does not comply with this paragraph shall not be heard at the Sale Hearing.

6. Except as set forth above, nothing otherwise contained in this Order shall be deemed to deprive any party of the right to object timely to the Sale Motion, all of which rights will be expressly reserved by this Order.

7. An Auction of the Assets shall be held on **May 17, 2010 at 10:00 a.m. E.D.T.**

8. The Sale Hearing to consider the relief requested in the Sale Motion and to consider whether to approve the bid by the Stalking Horse Bidder or other Successful Bidder shall be held on **May 20, 2010 at 10:00 a.m. E.D.T.**

9. The amounts of the Break-Up Fee and Expense Reimbursement (as such terms are defined in the APA) set forth in the APA are reasonable and appropriate and are hereby approved.

10. The Break-Up Fee and Expense Reimbursement shall be paid to the Stalking Horse Bidder in the following circumstances: (i) immediately upon the consummation of a transaction or series of related transactions, other than the transactions to be consummated under the APA, pursuant to which a material portion of the Debtors' Assets will be acquired by, or transferred to, a third party (whether pursuant to an asset sale, merger, stock purchase, a chapter 11 plan or otherwise), including pursuant to a credit bid (any such transaction, an "Alternative Transaction"), in which case the amount of the Break-Up Fee shall equal 4% of the maximum Cash Purchase Price; (ii) in the event the APA is terminated pursuant to (x) Section 10.1(a) of

the APA because all of the conditions in Article 6 have been satisfied or waived by the Stalking Horse Bidder and all of the conditions in Article 7 have been satisfied, but the Debtors are not willing to consummate the transactions contemplated by the APA or (y) Section 10.1(j) of the APA, immediately upon the closing of each transaction pursuant to which any portion of the Debtors' Assets are acquired by, or transferred to, a third party (whether pursuant to an asset sale, merger, stock purchase, chapter 11 plan, or otherwise), including pursuant to a credit bid, but excluding sales of inventory in the ordinary course of business, in which case the amount of the Break-Up Fee shall equal 4% of the maximum Cash Purchase Price; or (iii) in the event that the APA is terminated pursuant to Section 10.1 of the APA (other than Section 10.1(d) and 10.1(j)), immediately upon the closing of each transaction (out of the proceeds of each such transaction) pursuant to which any portion of the Debtors' Assets are acquired by, or transferred to, a third party (whether pursuant to an asset sale, merger, stock purchase, chapter 11 plan, or otherwise), including pursuant to a credit bid, but excluding sales of inventory in the ordinary course of business, until the Break-Up Fee and Expense Reimbursement have been paid in full, in which case the amount of the Break-Up Fee shall equal 2% of the maximum Cash Purchase Price.

11. For purposes of clarification, in the event that Stalking Horse Bidder is not selected as the winning bidder at the Auction for the Debtors' Assets and an Alternative Transaction is consummated, but the APA also is terminated pursuant to Section 10.1 of the APA, the Break-Up Fee will be 4% of the maximum Cash Purchase Price. To the extent applicable and due and payable and otherwise unpaid, the Break-Up Fee and Expense Reimbursement shall constitute superpriority administrative expenses allowable under sections 364(c)(1) and section 503(b) of the Bankruptcy Code. Consistent with paragraph 10 herein, any

Break-Up Fee and Expense Reimbursement payable under the APA to the Stalking Horse Bidder shall be allowed and paid, without any further Court approval or order. In the event that the Stalking Horse Bidder's Break-Up Fee and Expense Reimbursement becomes payable pursuant to paragraph 10 above, any such amounts shall not be paid to the Debtors or become property of their estate, but shall instead be paid directly by the buyer to the Stalking Horse Bidder out of the proceeds of such transaction contemplated in paragraph 10 above. Notwithstanding any existing lien, claim or encumbrance, the Replacement Liens granted by the Cash Collateral Order (as such term is defined in the Cash Collateral Order) and any liens of the Pre-Petition Lenders (as such term is defined in the Cash Collateral Order) shall be subject to an additional carve-out equal to the amount of the Break-Up Fee and Expense Reimbursement, and such liens shall not attach to such amounts in the event that such amounts become payable pursuant to the terms of this Order.
